Principal's report:

- Talked to health dept ,don't know for certain, but looking at July for possible Prom. Venue is holding July 24 as a possible date. If PowerPlay is available we can announce the date. Ultimately, health dept will drive decision about whether it's okay to have a large gathering in July.
 - Beth will email PowerPlay contact to see if the July 24 date is available.

Old Business:

- After Prom:
 - Michelle will let magician know After Prom is not happening in April.
 - We can break PowerPlay contract or can rebook this year or future year and use the same deposit.
 - We have enough budget right now to keep an event this year and some prizes, just don't have enough money for as many prizes as in the past.
 - It was suggested that we could possibly do an After Grad party instead of After Prom or a senior send-off type of event. It was also suggested that we could do something virtual. Grain Valley is doing a car parade for graduation.
 - Probably won't do anything in August if can't get it in in July.
 - Prom won't have pre-ticket sales. It will be pay at the door.
 - Idea shared that we could give PowerPlay coupons for free time there if we don't end up having an actual event.
- Anython:
 - Raised \$275 for PTSA – FBLA donated
 - Karissa will send leftover Anython incentive pizza coupons to Jennifer Buetel for Treasure Chest.
- Scholarship:
 - Jessica is working with counselors on how to handle scholarships, probably due May 1. So far only received one application.
 - Promote scholarship via email to senior members – also on Facebook.
 - Chad and Jessica will also remind in general via school communications about all scholarships.
 - Last year Jessica collected scholarships and a group of teachers narrowed them down and sent to officers blindly selected the 3 with names whited out
